

About Us

Welcome to Jharkhand Nursery Plants!

Jharkhand Nursery established in 2007 at Itki Road, Ranchi is regarded as one of the top plant producers and suppliers. We grow and cultivate more than thousands of species of different kinds of seasonal and perennial plants.

Our highly skilful workforce follow advanced scientific techniques and sustainable farming practices to ensure that all our stock grow and thrive in the Indian climate.

Our range of nursery plants comprises flowering, foliage, forestry, fruit, vegetable, herb, spices, medicinal, bamboo, bonsai, indoor, cacti, succulent, climber and creeper plants, avenue, cycad and palm trees, ground cover grass, shrubs, ferns, and bushes, hanging baskets, fertilisers, garden equipment, and bulbs and seeds.
